Virtual Cross-Country Club Challenge Uneven Ages November 2020

With increased restrictions on assembly and travel due to the Covid 19 pandemic, it was not possible to hold juvenile county, provincial and national cross-country championships in October – December 2020. Club training in small groups was possible while following government guidelines on distance between individuals and exercise outdoors. Athletics Ireland put forward a scheme to keep athletes motivated – a virtual cross-country club challenge. Clubs were asked to create a flat 500 m loop on grass and to do trials on training nights for age groups. Each athlete was to be timed over the distances for individual age groups.

The distances set by Athletics Ireland for both boys and girls were:

- Under 9 and Under 10 – 500 m
- Under 11 – 1,000 m
- Under 12 and U13 – 1,500 m
- Under 14 and U15 – 1,500 m
- Under 16 and U17 – 2,000 m

Athletics Wicklow added a shorter distance for younger athletes:

- Under 7 and Under 8 – 300 m

Athletics Wicklow decided to run a county-wide virtual challenge for clubs. Each club was asked to submit the times for their athletes over the distances set by Athletics Ireland with the addition of the distance for U7/U8 athletes. Clubs held their trials during November and submitted times on-line to the co-ordinator (Cyril Smyth). The submitted times for athletes were collated by age group and gender. Athletes in each age group were then ranked on the basis of the submitted times. Scoring was done per county cross-country competition rules.

BOYS

Under 7 [300 m]
