Men's Team Results

Note that in the team competitions, only clubs with four (Senior) and three (Masters) scoring athletes are computed. With the differing numbers of athletes on teams, once four or three scorers are counted, any remaining athletes on that team are eliminated from team scoring positions so that the places of athletes on other teams are not affected by these non-scoring team members.

5K Road Race Championships Ashford 23 April, 2014

Women's Team Results

Note that in the team competitions, only clubs with three (Senior or Masters) scoring athletes are computed. With the differing numbers of athletes on teams, once three scorers are counted, any remaining athletes on that team are eliminated from team scoring positions so that the places of athletes on other teams are not affected by these non-scoring team members.
